These summer assignments will not take too much time each week, but the work should be spread out throughout the summer rather than trying to cram everything into a few days. The idea is for you to have daily/weekly exposure to Spanish! You will complete two assignments: **grammar practice (lots of it) and a Spanish Scavenger Hunt!**

**I. Grammar Practice:** You will complete a series of online grammar practices to review and sharpen the basics. Don’t worry about getting a perfect score, and focus on self-assessing the grammar points you need to work on/improve. In class, you are expected to use all of these tenses/concepts in context. For grammar practice: [www.quia.com](http://www.quia.com) (good for practice with many free exercises and games) [www.conjuguemos.com](http://www.conjuguemos.com) (good for practicing conjugations & also has grammar practice) [www.studyspanish.com](http://www.studyspanish.com) (has grammar and vocabulary practice as well as grammatical concepts & explanations). Daily/weekly practice recommended. You do not have to submit grammar exercises, but you do need to review/practice the following:

1. Irregular & regular present tense verbs.
2. Regular preterite tense verbs (ar, er and ir).
3. Irregular & regular preterite tense verbs.
4. The imperfect tense.
5. The difference between the preterite and the imperfect tenses.

**II. Summer Spanish Scavenger Hunt**

**Búsqueda de verano**

**Completa 100 puntos o más para el primer día de regreso**

¡Diviértete!

*Please highlight the points you completed.*
*Put all pictures, art, links or anything you created/any evidence into a folder/Google Doc to present to the class/share with the teacher. If you have to show videos to the class, please try to create a short video with ALL the clips on ONE video.
