

AP Government & Politics Summer Assignment

Facilitator: Mrs. Bomann

Contact: bomanna@norwalkps.org

Welcome to AP Government. I look forward to meeting all of you soon. As part of the curriculum assigned by the College Board, you are required to learn nine foundational documents and fifteen Supreme Court Cases (SCOTUS cases). During the first three trimesters of the year, you will be required to read and annotate each of the foundational docs, write case briefs on each of the SCOTUS cases and work with a partner to teach the class one of the SCOTUS cases.

Your summer work will focus on preparing you for these documents and SCOTUS cases. You are required over the summer to read and annotate the Declaration of Independence, which will be due the first class. Additionally, begin familiarizing yourself with the docs and SCOTUS cases by reading the links below and watching the video.

Reach out with any questions.

ALL WORK IS POSTED ON GOOGLE CLASSROOM
