Norwalk Education Foundation's 4th Classroom Innovation Grants a la Shark Tank

Here's how it works:

Overview

- Students may work alone or with a group.
- Each project must have a staff supporter to sign off on the proposal.
- Ideas must enhance their school. Ideas should address one or more of the following: academics, extra-curricular activities, social-emotional well being, physical health/nutrition or safety.
- Proposals which can be sustained after the NEF funding period will be given priority.
- Proposals are due by **March 8th**.
- An NEF committee will review proposals and select finalists to present *Shark Tank* style to a group of community, education and business leaders on **March 27th** @ CGS.
- Project budgets should not exceed \$500.
- Funding will be provided to schools by mid April.

Submission Criteria

- Proposals should be submitted via email to: info@norwalkeducation.org by **March 8th**.
- Proposals must include a budget, itemizing all costs. Links to purchasing sites can be included as back up.
- Proposals must be signed off by an educator/administrator in the school.
- Please answer all questions on the application, not to exceed 2 pages (budget can be separate).

***Important**

NEF will not fund daily supplies like paper, pens, and pencils nor do we fund field trips.
