

Dear Parents, Guardians and Students in Grade 11,

Scores from the 2019 Connecticut SAT School Day administration will be available through the **College Board K-12 Assessment Reporting portal** beginning on **Friday, April 19th**.

How to Access Scores

1. Students will need a College Board account to view their scores.
2. Please go to <https://studentscores.collegeboard.org/viewscore> and log in.
3. Click **sign up to register** for an account if you don't already have one.

Matching College Board Student Accounts and Registration:

If a student is signed into his/her College Board account but doesn't see the score, it means the College Board was not able to link their score report and account automatically. For security reasons, a student must verify additional information before the College Board can display scores. The student will need either his/her **SAT registration number or the 10 Digit, Student ID number (SASID)** the student was pre-identified with by the school or district. If you do not know your SASID, please e-mail Mr. Heaslip at heaslipk@norwalkps.org with the subject "SAT SASID Request" and your name. He will e-mail you back your SASID.

To match, the student will:

1. Go to <https://studentscores.collegeboard.org/viewscore>
2. Scroll down and click **Matching Tool**.
3. Review the personal information.
4. If any information is incorrect, click **Update** to revise. (Students will be prompted to re-enter their password.)
5. If the information is correct, click **Get My Scores**.
6. The student will have to select one of the following options:
 - a. I can supply my test information (test date and registration number), or
 - b. I can supply my student ID (using the student ID the student was pre-identified with)
7. Click **Get My Scores**

Please note: Some scores will be released later for reasons that may include late receipt of answer sheets, missing information on the answer sheet, or other exceptional conditions that require additional attention. These students will receive an email from the College Board as their scores are released. There may still be cases in which a student is not able to view their scores using these steps because the information is too different, or the scores have not yet been finalized. If students cannot view their scores, they should call the College Board's Student SAT Helpline at 1-866-756-7346.

Thank you,
Kyle Heaslip
