Course Description:

Honors U.S. History is a challenging one year course encompassing the development of America from 1877 to the present. It focuses on the political, social, and economic history of the United States and provides students with a basic knowledge of American culture through a chronological survey of the major issues, movements, people, and events in United States history. We will concentrate on the following historical periods: major events of the 19th century, World War I, the Depression, World War II, the beginnings of the Cold War, the 1960's, and the last 30 plus years.
