

W E L C O M E !

If you signed up for **Honors** Human Anatomy & Physiology, you will need to complete summer work.* Right now, you need to do TWO things:

1. Join my Google Classroom page with this code: **rudp9**
2. Come to **102S** during ONE of the times posted on Google Classroom to get a book that is necessary for the summer work.* PLEASE do not interrupt me during any other time.

*The summer work will be posted on Google Classroom as soon as I'm done distributing books!

I can't wait to meet you all! Please spread the word to others who are taking this course, and have a great summer! 😊
