Student Parking Update

ATTENTION

In order to improve the traffic flow in the morning and minimize safety concerns, we are modifying student-parking effective 12/2/19.

The revised plan is as follows:

> All students parking on NHS property need to secure a Parking Decal from A House, Mrs. Nielson

> Students will ONLY be permitted to park in the Lower-Two Lots or the Lot adjacent to the Tennis Courts

> Failure to comply with this mandate may result in loss or suspension of Parking Privileges

Thanks for your support and cooperation
