

AP European History
Summer Work
Summer Work Instructions

Welcome to the challenging, rewarding, and hopefully enjoyable AP (Modern) European History Program – the single greatest course offered at Auburn High School. Our journey this academic year begins with the following AP/pre-IB European History summer assignments. The degree of thoughtfulness and effort exerted in the completion of these summer assignments tends to correspond to both the preparedness with which students will enter the course and the scores received for these assignments. The content material is to be learned and understood, not simply memorized and regurgitated. It is acceptable for students to form study groups to discuss the content; understanding often comes from actively discussing and explaining material. However, splitting up the assignment, stealing (with or without permission) another student's answers, or any other degree of academic dishonesty will not be tolerated and will result in a zero. Please keep in mind that late work is unacceptable without an appropriately excused absence.

Should you need any assistance over the summer you may contact Mr. Keyes at KeyesT@norwalkps.org. I will attempt to reply with all deliberate speed; however, please be patient.

All work is on our Google Classroom Page:

Code: gqcvy5e

Part I: Map of Europe

1. Reference the "Map Instructions" to complete the Map of Europe assignment.
2. On the first day of class, students will be tested on both the political and physical maps of Europe, without the use of a word bank.

Part II: Kagan's The Western Heritage; Eighth Edition; Chapter 9

1. Reference the "Reading Instructions" to complete The Western Heritage assignment.
2. On the first day of class, students will take a multiple-choice test on the selected passage from The Western Heritage, in which they can use HANDWRITTEN, unique notes they took while reading the text.
