

Français 4 Honoraire
Summer work
2020

Bonjour les élèves!

In French 4 Honors we will be exploring interesting new topics including personal relationships, the environment, contemporary life, and leisure time. Our work will include past, present, future, potential, and imaginary plans.

Because we lost ½ of our class time during distance learning we were not able to cover 2 topics. I will post links on GC under the Travail d'été (summer work) assignment. Please practice them!

During this summer, it is your task to do the following:

- A. Review vocabulary and sentences that will allow you to at least write a sizable detailed paragraph in French for level 2 & 3 topics.
- B. Prepare to talk about these topics confidently aloud.
- C. Review level 3 grammar topics (see below).
- D. Explore in-depth two specific topics (see next page).
- E. All work must be your original work, in French, and completed in a notebook which you should bring with you the first day of class. That means, not copied, not google translated, nor prepared in any other way but as a representation of your personal best effort.
- F. Take photographs of all of your work & upload to the summer work assignment in Google Classroom **by Saturday 8/23/2020**

Upon returning to school you will take a test on & be expected to write and speak with accuracy about the topics you learned in levels 1, 2 & 3 honors as well as both a written and oral performance assessment on 1 of the summer in-depth topics.

To prepare for this complete the following tasks:

Your 19-20 3H google classroom will be updated to become 20-21 Français 4 Honoraire on June 9th, 2020. If for any reason you need to (re) **join** the code is `jzh63oeY`

Review levels 1-3 grammar topics.

Review the following grammar topics with [conjuguemos link](#) . Be experts with:

- The regular present tense
- Common irregular present tense verbs
- Common present tense verbs with certain spelling changes
- Reflexive verbs (past, present, future)
- Agreement and word order on nouns and adjectives
- The passé composé (with avoir, être, & reflexives). Know your irregular past participles!
- The imparfait
- Using both the passé composé & imparfait to write a narrative in the past
- The regular future tense
- The future tense (with irregular stems)

Review for each level 1, 2 & 3 topic completely by preparing a **thorough vocabulary review** and writing a topic-related summary. I will attach a list of Level 1, 2, & 3 topics to the summer work assignment in GC so you can practice them in quizlet & conjuguemos.

Explore in-depth 2 specific topics.

Choose two of the following four TV5 Monde niveau B1 in-depth topics to explore:

Les Vêtements, La Musique, Repas, et Cinéma. [TV5monde level B1](#)

-To begin, go to TV5 monde apprendre le français B1

-Find the topic: filtrer=thèmes (drop down, choose topic), collections, trier=public.

-Pick any 4 lessons from the 2 topics you've chosen. (8 TV5 exercises in total)

To practice listening, critical thinking, vocabulary & note taking:

-Watch the videos/listen to the audios, complete the exercises, take key vocabulary notes.

Use the graphic organizer as a guide on what to write.

To practice summary writing & presentational speaking:

write & practice saying a summary of each lesson.

Starter examples: "Les vidéos que j'ai regardé s'agissent de _____. En regardant, j'ai appris_____.

To practice cultural comparisons:

Identify how the francophone cultural practices are similar & different from US cultural practices.

Starter example: Les similarités et les différences entre _____ ... Include this comparison in your summaries.

Do the written work by hand in your notebook.

I will attach a copy of the graphic organizer we use for TV5 exercises, but do the work in your notebook by hand.

To prepare for the presentational speaking, you may wish to create a set of bulleted notes as a guide.

Mes chers élèves, just do a little bit most days & you will be all set for a great start!

I am looking forward to seeing you again in the fall & hope you have a beautiful summer.

A bientôt, Madame Sullivan
