

Level: French 2 Summer 2020

Happy Summer! I hope this will be a fun and restful summer. I am recommending the following in hopes you will keep up with your French and be ready to continue your journey learning French in the fall. In the fall you will be given an assessment based on your experiences using the recommended sites and accompanied activities. There is nothing to be handed in, therefore no grade will be given. The grade you will receive is solely based on the assessment given at the beginning of the 2020-2021 school year. What is the assessment? It will be both an oral and written presentation based on one of the topics that had been covered in class and your participation of summer suggested activities.

The following topics were covered in level 1:
