

Registration for winter sports is now open! Parents can register their child at www.norwalk-ct.finalforms.com, which is our new registration system for athletics.

Girls can choose from basketball, indoor track, coed cheerleading, coed wrestling, gymnastics and ice hockey (which is a coop sport with McMahan and Wilton HS)

Boys can choose from basketball, wrestling, coed cheerleading, indoor track, ice hockey, and swimming & diving (hockey and swimming & diving are coop teams with McMahan.)

In order to try out, parents and athletes must fully complete the registration, have a CURRENT physical on file with the nurse's office (completed within the past 15 months -- an adjustment made by the CIAC due to the current pandemic) and must have a minimum 1.7 GPA based on 1st quarter report card.

If your son/daughter is currently participating in a fall sport, the registration process should be simple -- please double check all information is updated and correct, and all signatures are completed, by both parent and student.

If you are a new registrant, the registration process gives us comprehensive information which is readily available in cases of emergency or need to disseminate information -- much cleaner and easier than our previous system.

For those interested, here is the current projected timeline for the winter season, as well as the "alternative" season and spring season, as proposed by the CIAC Board of Control. As with many decisions in the recent past, these dates, as well as the ability to hold ANY of these activities, are subject to change due to health metrics, as well as state and local decisions.

The CIAC Board of Control met on September 29, 2020 to review the latest sport guidance issued by the State Department of Health and took action to establish an alternative season in the second semester for sports that do not complete at least 40% of games during their regularly scheduled season. The start and end dates of the winter and spring seasons will be adjusted to accommodate the alternative season with minimal impact to winter and spring sports. The following dates were suggested with the understanding that all plans remain fluid and subject to the latest COVID metrics and information.

CIAC Potential Alternative 2020-2021 Winter Season

Conditioning – November 23 – December 5
First date of winter contests – December 7
Last date to count toward CIAC State Tournament – February 5
CIAC State Tournament – February 8 – February 21

CIAC 2021 Second Semester Alternative Season

Conditioning—February 22 –February 26
First day of Full Pads (Football only)—February 27
Scrimmage Dates—March 6 and March 12 or 13
First date of special season contests – March 19
Last date of special season contests – April 17

CIAC 2021 Spring Sports Season

Conditioning – April 11 – April 22 (for student-athletes not playing a sport in the special season)
First date of spring contests – April 23
Last date to count toward CIAC State Tournament – June 8
CIAC State Tournament – June 14 – June 27

If you have any questions, please do not hesitate to contact me with any questions.

REGISTRATION CLOSES ON NOVEMBER 18, SO PLEASE DO NOT DELAY IN COMPLETING YOUR REGISTRATIONS!

Doug Marchetti
