Principal
Reginald Roberts

Assistant Principals
Dr. Lynne Moore
Edward Singleton
Dr. Dan Sullivan
Jennifer Sweeters

We are in the process of instituting new Student-Parking procedures for the 20-21 academic year. Student parking will be strictly designated to the Lower-Lots only; this pertains to the lots on the right side of the NHS driveway as you ascend up the hill. NHS student drivers will only be permitted to enter the building through the Science wing entrance. P-TECH student drivers will only be permitted to enter the building through the Pool doors. Students are prohibited from parking in the lot in front of NHS as well as in the lot adjacent to E House/Music Wing.

Students will be required to complete the **Student Parking Request Form**, located on the NHS and P-TECH homepages, and submit to the B House Office, attention of Mrs. Joy Skowronski. The form can also be emailed to skowronskij@norwalkps.org. Spaces are limited with seniors given priority consideration. This privilege is for students that have chosen the Hybrid Option for the fall only as Remote students will not be coming to the building. The parking space designated is for school hours only between 8:15 a.m.-3:00 p.m.

Once the form is submitted, students will be assigned a numbered spot that will be designated for the student. The Parking Request Form will need to be signed by the student and parent/guardian and will include the required rules and stipulations. Please contact Dr. Sullivan, B House Assistant Principal, at sullivand@norwalkps.org with any questions or concerns.

Safe Driving!
