

Criteria for Selection

Kevin M. Eidt Chapter of the Norwalk High School National Honor Society

The following are the *minimum* criteria candidates need to fulfill to be *considered* for selection:

Enrollment. According to the Constitution, only those students who have attended the school for the equivalent of one semester may be considered for membership. This period is necessary for students to establish themselves academically and involve themselves in various service and leadership activities, and for the faculty to get to know them and the quality of their character. For our chapter, students will only be inducted during their *junior* year.

Cumulative GPA. The scholarship requirement identified in the Constitution is based on a student's cumulative grade point average. A candidate must hold a minimum **3.8** cumulative grade point average to be *considered* for selection.

Leadership. To meet the leadership criterion for NHS, a candidate must name three (3) leadership roles at school or in the community achieved since the ninth grade and indicate the roles and the name of the adult who supervised each of these activities on the candidate information form. More than three roles may be listed, but there must be three verifiable listings to be selected to our chapter.

Service. To be selected as a member of our chapter, a candidate must demonstrate on his or her candidate information form, the completion of twenty (20) hours of *verifiable* service undertaken at school or in the community since the start of ninth grade.

Character. To be selected as a member of our chapter, a candidate must display character. A person of character demonstrates the following six qualities: trustworthiness, respect, responsibility, fairness, caring, and citizenship.

If you have any questions regarding the criteria for selection mentioned above, feel free to reach out to the chapter advisors, Mr. Fernandez or Ms. Todeschini.
